

Sponsors news

Tradies- Our Major sponsor, Gymea Tradies have continued their sponsorship with us for a second year. The Tradies gave all our members a complimentary meal voucher which was mailed out to all financial members. I hope you had the opportunity to visit the club and take advantage of this generous offer. The club has plenty to offer its members including a great restaurant, kid's club and cheap accommodation at reciprocal resorts throughout NSW. Membership of the club is only \$11 which includes a free drink! The tri club looks forward to an ongoing relationship with the Tradies in the future.

Southside Runners-Trent is relocating his shop to the new building in Cronulla Mall (1/28-32 Kingsway). You will find his store opposite the police station; he expects to be trading at the end of this month. Trent has been a great sponsor to the club and is always reminding us to use the Mizuno vouchers that he provides as prizes to the club. Make sure you pop in and say hi when he opens the new store. For all enquiries please contact Trent on 0408 213261 or 9545 6010.

Endeavour cycles -George at Endeavour cycles has been sponsoring the club for over 20 years! It's not surprising that George has built a loyal client base from the tri club not only because of his years of service to the club but also because of his great personalised customer service, quality products and an integrity that looks after your interests first. The Committee organised to have a cycle jersey framed for George in appreciation for his 20 years of club sponsorship. Unfortunately George could not make the club presentation night, so we hope to see the framed jersey up in his store shortly.

Subway Sutherland-I have had the pleasure of meeting with and getting to know John and Jo from Subway at Sutherland. They are long term members and appreciate the opportunity to give back to the club which has given them so much over the years. It's great to see John back on the bike after a long layoff with a shoulder injury.

Keep an eye on the website; we will be opening an online store shortly where you can purchase club gear. John was kind enough to donate approximately fifty pairs of DeFeet running socks, new with tags. They even come in the club colours and have the shark logo on them. We will be selling the socks on the website and all proceeds will go towards the clubs day to day operations. On top of their sponsorship fee, John and Jo also donate Subway vouchers for prizes and giveaways to the juniors.

Chain Reaction- It's been a pleasure working with Troy this year who recently joined the team at Chain Reaction; he has some great initiatives and is very enthusiastic about a long term relationship with the club.

Some of the offers from Chain Reaction to Club members include: 10% discount off all bikes; 15% discount off all accessories over \$50; Priority servicing-guaranteed within 48hrs. Make sure you mention you are a Cronulla Tri Club member to receive these great offers. Chain Reaction are donating a Giant TCR Advanced 1, retailing at \$4,200 to raffle to raise money for the Club. We hope to sell as many tickets as possible during the year and we will draw the winner of the bike at the club Christmas run on the 16th December 2009.

Tickets can be purchased at Chain Reaction Cronulla or at the Club house on Wednesday evenings. If you are interested in selling some tickets, please come down and pick up a book on a Wednesday evening. Please support your club by purchasing some tickets and be in the running to win the Giant!
