VOLUNTEERING OPPORTUNITIES

Who are we?

Queensland Events Gold Coast is a major event management company wholly owned by the Queensland Government through Queensland Events Corporation. Managers of the annual Gold Coast Airport Marathon and biennial Pan Pacific Masters Games, Queensland Events Gold Coast produce high profile, mass participation sporting events that maximise economic impact. The events provide an enjoyable and memorable event experience that showcases the Gold Coast whilst maintaining world-class event management standards.

Our Events:

Gold Coast Airport Marathon

The Gold Coast Airport Marathon will be held for the 32nd year on Sunday 4 July 2010. It will attract more than 23,000 competitors from around the world to participate in the various events on offer. The Marathon course, known for being "fast, flat and scenic", showcases the amazing coastline and finishes in the newly developed Southport Broadwater Parklands.

Pan Pacific Masters Games

Since 1998, the Pan Pacific Masters Games has been staged on the Gold Coast, attracting up to 10,000 competitors and supporters. Held from 6-14 November 2010, the Pan Pacific Masters Games will have a comprehensive program of more than 30 sports and nightly entertainment. Open to participants over 30 years of age

(younger in some sports), competitors can enter one or more sports ranging from athletics to lawn bowls, dragon boating, motocross, soccer, touch football and many more. There is an event for all ages and abilities.

Why Volunteer with us?

Both events rely heavily on the contribution of volunteers, who assist in areas such as registration, marketing and promotion, logistics and customer service. Whether you are a student studying event management, marketing or journalism; or a retired professional looking to make a contribution to the community, there are positions available to suit you.

Benefits of Volunteering:

- Be a part of a premier Gold Coast event
- Meet new people
- Utilise your skills and experience from the workforce or gain new skills!
- Receive an event shirt and other rewards

How do you get involved?

Volunteer recruitment and selection will commence in January 2010. To express interest and receive further information now, please contact our Volunteer Coordinator Rachael White via email rachael@goldcoastevents.com.au or phone 07 5564 8733.
