# maitland river run

The inaugural Maitland River Run will be held on Saturday May 8, 2010 at Maitland Mall and River Bank. The picturesque 4km courses will be staged from the Mall then moving onto the River Bank, returning via the Mall for the finish.

Complete either 1 lap for the Carraro Design 4km, 2 laps for the Farrow Wyatt 8km or 3 laps for the Maitland Mercury 12km.

For those more serious mid distance runners there is \$1000.00 prize money on offer in the Maitland Mile

What a great way to get close to the spectators running back past the finish line each time.

Come and join the fun and maybe pick up that last minute Mothers Day gift at one of the many specialty shops.

You might also make a day of it and picnic on the river bank or pamper yourself at one of the many cafe's and eateries in the Maitland Mall
